

ASHA FOR CHILDREN FOUNDATION ANNUAL REPORT 2078-2079

MSG FROM OUR CHAIRPERSON

Namaste Dear Reader,

I am very pleased to share our experiences and accomplishments of ASHA for Children Foundation in the year 2079. This year, I can gladly announce that we were successfully able to run a school, Asha Shiksha Sadan at Chittapol Bhaktapur with furnished classrooms. All thanks to our donors, staff, friends and family who have constantly supported us and made a distant dream come true. We are running classes from Play-group to Class 4. Our ASHA for children family is joined by 71 children; 36 kids are sponsored and come from the nearby orphanages whereas the rest of the 35 are local, non-sponsored children. We have a total of 11 teaching staff and 10 non teaching staff. A huge thank you to both our teaching and non teaching staff as they work hard each day in making ASHA for children is not just a school but a safe and encouraging space for our children.

Our team has already set our goals for the coming year. Our plan for the next year is to open our doors to even more needy children and provide them a home. We also plan to extend our classes up to grade 5. Vocational training for children above 18 years and for the women in the community will be provided, to empower them individually.

We are obliged to Nepal Himalaya Park Stiftung, Germany for their regular support for our program. Further we are grateful to our other donor and volunteer who made their valuable support!

Also, I would like to thank the children, their parents, Manab Kalyan Samaj(Nalinchowk) and Tulasalaya Ashram (Changunarayan) for adapting to our teaching learning environment and trusting us.

Once again, on behalf of the board and ASHA for Children FoundationTeam, I would like to express my gratitude to all our donors, staff members, friends and family for supporting us. It was a year full of ups and downs, but without your constant confidence and trust on us we would have had a harder time. I hope we continue to support each other and make a difference in the lives of these children!

Lastly, I would like to acknowledge the efforts of our board members and advisors for leading ASHA for children Foundation in every circumstances.

*Looking forward to the year ahead !
